87 Honda Motorcycle Reported Stolen From Party Store

The Crawford County Sheriff Department received a report on Monday, October 3, that a motorcycle had been stolen from the D&S Party Store sometime Sunday night.

The motorcycle was a 1987 Honda 1100CC Shadow model, with Michigan license plates #617LY. The bike is a burgundy color. The gas tank is dented and it is scratched on the right side from a recent accident.

Sheriff deputies stated that whoever stole the bike, cut through the chain that secured the bike and loaded it onto a vehicle that has all season, heavy duty tires.

The motorcycle belongs to Donald Meyers of Grayling, and was taken from the D & S Party Store located on McCormick Bridge Road, next to McCormick Bridge.

The Crawford County Sheriff Department is asking anyone with information regarding this theft to contact their office at 348-6341.

Grayling Elementary Teachers On PBS for Fundraiser

Members of the Grayling Elementary School's teaching and non-teaching staff and Grayling Elementary School parents will be manning the telephones on October 9th, from Noon to 4:00 p.m., at Central Michigan University's PBS Channel 6 fundraiser.

They are asking their fellow supporters of public television from the surrounding communities to call in their pledges at that time.

Democrats Plan Candidate Night

The Crawford County Democratic Party will host a "Meet the Candidates Night" at their quarterly meeting, to be held on October 12 at 7:30 p.m. Democratic and non-partisan candidates are invited to address the party's members.

Speeches will be limited to five minutes and candidates must contact Party Chairperson Clay Horton (348-8170) by Friday, October 7, to have their names placed on the evening's agenda.

Members of the Democratic executive board will meet briefly at 7:00 p.m. on the same evening.

Avalanche Deadlines For News, Advertising

The deadline for community news in the Crawford County Avalanche is Monday, noon. Community news turned in by noon, Monday, will appear in that week's Avalanche, space permitting.

Letters to the Editor and photographs must be turned in by Friday, noon, to appear in the next issue, space permitting.

The deadline for classified advertising is Tuesday, noon. The deadline for display advertising for full and half-page ads or color ads is Thursday, 5 p.m. The deadline for all other display ads is Friday, 5 p.m.

Camp Grayling Range Firing

Range firing will be conducted at Camp Grayling Oct. 5-12 in the following areas:

The Small Arms ranges located west of Lake Margrethe, north of Howe Road, east of the gas pipeline and south of Portage Creek. Firing will begin at 8:00 a.m. 7 Oct. and cease at 5:00 p.m. 9 Oct.

The Range 40 Complex located North of County Rd 612, East of Guthrie Lake, South of Old State Rd 618, and West of County Rd F97 (Twin Bridge Rd). Firing will be from 8:00 a.m. (Daily) 11 Oct. to 12:00 p.m. (Daily) 12 Oct.

The Ranges will be closed to the public during these periods and all persons are warned to keep out of the areas identified.

Phillips Convicted For 2nd Degree Murder

John Paul Phillips, 26, of Grayling, was convicted of second degree murder on Friday, September 30, in the death of 18-year-old Tracy Lorraine Moon, of Grayling.

The Otsego County Circuit Court jury deliberated only 2½ hours before they announced their verdict.

The trial took place in Otsego County when a change of venue was mutually agreed upon by both the Crawford County Prosecuting Attorney's office and the defense attorney, James Deamud, of Houghton Lake.

Phillips' trial began Tuesday afternoon, September 27, following an easy jury selection process that began Tuesday morning.

Chief Assistant Prosecuting Attorney, David Sabin, who prosecuted the case, said that had the change of venue not been granted, the jury selection process would have probably taken considerably more time to complete.

Sabin reported that the case was turned over to the jury at 3 p.m. Friday afternoon. At 5 p.m. the jury requested that the judges' instructions to the jury be repeated. They deliberated another 30 minutes before they

returned to the courtroom with their verdict.

According to Sabin, the jury could have found Phillips guilty of first degree murder, second degree murder or voluntary manslaughter. They could have also found Phillips not guilty.

"I am satisfied with the second degree verdict," Sabin said. He said that he was not surprised that the jury did not find him guilty of first degree murder.

The instructions for finding someone guilty of first degree murder is confusing, he explained. The explanation makes it sound like the murder would have had to been planned days in advance of the actual crime. Sabin said that even though this is not accurate, the explanation is confusing on the issue of premeditation.

Phillips is being housed at the Crawford County jail while he awaits sentencing.

Probation Officer, David Lemmen, said that sentencing would take place sometime in the next 30 to 60 days.

Moon was murdered on Feb. 8 in Grayling. She was seven months pregnant at the time of her death, and is survived by a two year old son.

Conway Charged With Murder of Child

Richard Scott Conway, 31, of South Branch Township, was arraigned in 83rd District Court on Thursday, September 29, on a charge of open murder in connection with the death of his 11-week-old daughter, Kati Jo Conway.

Conway demanded preliminary examination, but waived the 12 day rule.

Conway's attorney, David Anderson, from Lansing, requested that Conway be allowed to return to the Veteran's Administration Hospital in Battle Creek where he had been an in-patient receiving psychiatric care prior to his arraignment. Conway had admitted himself for psychiatric therapy.

Anderson presented to Judge Francis Walsh a letter from Conway's physician, Dr. Tanay, stating that in the doctor's opinion Conway was not a danger to anyone except

possibly to himself.

Prosecuting Attorney, John Huss, argued that because of the severity of the charge against Conway, and because the V.A. Hospital in Battle Creek is not a "lock-up" facility, that Conway be taken by Crawford County Sheriff officers to the Center for Forensic Psychiatry in Ypsilanti for further psychiatric examination.

Conway was remanded by the judge to the Center for Forensic Psychiatry in Ypsilanti for psychiatric evaluation to determine whether he is mentally competent to stand trial.

Bond was set at \$75,000 with a 10% provision.

The open murder charge is a result of an investigation by the Crawford County Sheriff Department into the August 5th death of 11-week-old Kati Jo Conway.

Fences Haven't Stopped Impact Area Trespassers

Violations of the DNR closure orders for impact areas on Camp Grayling firing ranges are continuing, according to CPT Steven Seager, Operations Office at the Camp.

Since Camp Grayling is an open post, most of its military lands can be traveled and enjoyed by the public. Exceptions are those few areas fenced for safety, and areas where training is going on, said Seager.

The fenced areas within the Range 30 and Range 40 Complexes, and on Range 13 comprise only ten percent of the military lands. They are fenced for civilian safety, to preclude accidents due to the possibility of unexploded ammunition, and should NEVER be entered, whether by vehicle or on foot, he explained.

Since the closure orders were signed by Department of Natural Resources Director David F. Hales, the three areas have been

fenced and locked, with copies of the closure order posted, and signs proclaiming that entry is unlawful. Repeatedly, however, fences have been cut, gates dismantled, and entry made into these areas.

With the approach of hunting season, when more sportsmen will be in the woods and fields, the danger to trespassers deserves emphasis, said Seager. "For people to cut the fences and enter these danger areas poses a serious danger to those entering, as well as to rescue personnel if an accident should occur," he said.

"In addition to the risk," said Seager, "when people destroy the fences, it is your tax dollars and mine that are spent to repair the fences."

Because the DNR has declared the areas closed, violators may be issued citations by Conservation Officers or by the local sheriff's departments.

GHS Homecoming Features Football, Parade, And Saturday Night Dance

Homecoming Week is underway at Grayling High School.

Throughout the week the students are celebrating by decorating the downtown stores, the hallways of the school and the showcases in the school.

Different activities have been planned throughout the week, to promote school spirit.

Monday: Students wore college sweat-shirts.

Tuesday: The students wore the colors of their class. A outdoor picnic was held.

Wednesday: This is plaid day. Outdoor activities that will test the students' athletic abilities will be held.

Thursday: Uniform Day.

Friday: Total green and white day. The pep assembly will be during the afternoon.

At 6:00 the students will watch the parade

of floats. The queen and her court will make their way to the football field. All the students will be ready to cheer the Vikings on to victory during the game against Kalkaska here at 7:30 p.m.

For the seniors King and Queen nominees are Amy Denton, Lori Gust, Sheryl Klinger, Janice LaDuke, Dawn Liberty, Rusty Argue, Ted Baynham, John Gay, Tim Hickey, and Brian Kernstock.

Our junior court members are Jennifer Naour and Tony Doremire.

Our sophomore court members are Krista Wyman and Todd Thorsen.

Our freshmen court members are Andrea Austin and Jason Basham.

The Homecoming King and Queen will be announced at half-time during the football game.

On Saturday night the Homecoming dance will be held at the high school.

FIRST VIEW OF THE SLED — Divers from the Sheriff's department and City Police get their first look at their prize above the water of Lake Margrethe.

Where Should Recovered Logging Sled Go — State or County?

By Irene Pettyjohn

Four Crawford County divers spent most of last Tuesday, September 27, working together to recover a logging sled that had been submerged beneath the waters of Lake Margrethe for possibly 80-100 years.

Loggers used to haul wood on sleds across the lake during the winter. This sled apparently went through the ice.

Before the divers were able to pull the sled to the Camp Grayling beach, controversy regarding the legal and moral ownership of the sled had already begun.

As three members of the Crawford County Sheriff Department's diving team, Tim Coe, Todd Golinick and Scott Feldhauser, and diver, Bob Butzin, from the Grayling City Police Department, struggled to raise the

sled and tow it to shore with the help of Dean Goss in a Sheriff's department boat; several Department of Natural Resources (DNR) employees waited on shore with a tilted truck, equipped with a power winch, to take possession of the historical artifact. Robert Ruddy of the Crawford County Historical Society was also present.

When the divers and Goss brought the logging sled to the water's edge, the DNR team hoisted it into the back of their truck, and took it to the Hartwick Pines State Park.

The logging sled was found by Tim Coe and Bob Butzin on September 9th while they were scuba diving off the Camp Grayling boat launching area in about 20 feet of water.

Commission on Aging Millage Request On November 8th Ballot

The Commission on Aging has requested a .20 mill proposal be placed on the November 8th ballot as follows:

"Shall the county of Crawford levy 1/5 mill (.20) ad valorem tax for a period of four years (1989, 90, 91, 92) upon all real and tangible personal property within the county for the purpose of continuing the operation of Crawford County Senior Citizen programs through the Commission on Aging?"

The .20 mill increase is needed to continue the operation of all the programs provided by the Commission on Aging.

While the need for services has increased in the county, Federal and State funding has not increased, says director Sherry Haag.

"We are turning more and more to the millage dollars to pick up the cost difference," she said.

In 1984, the millage was reduced from the 1/2 mill to 1/4 mill due to a reorganization of the Commission on Aging. At that time, voters were told surplus funds were available and only 1/4 mill was needed to maintain the programs provided by the COA but if costs increased the commission would come back to the voters for a request to reinstate the 1/4 mill. That time has come, said Haag.

The approved millage (.30) will generate approx. \$60,000. The projected budget for 1989 is \$95,000. The \$35,000 difference is surplus funds from previous years. In 1990, with the budget expected to remain the same or a little larger there will be no surplus funds available to make-up the difference.

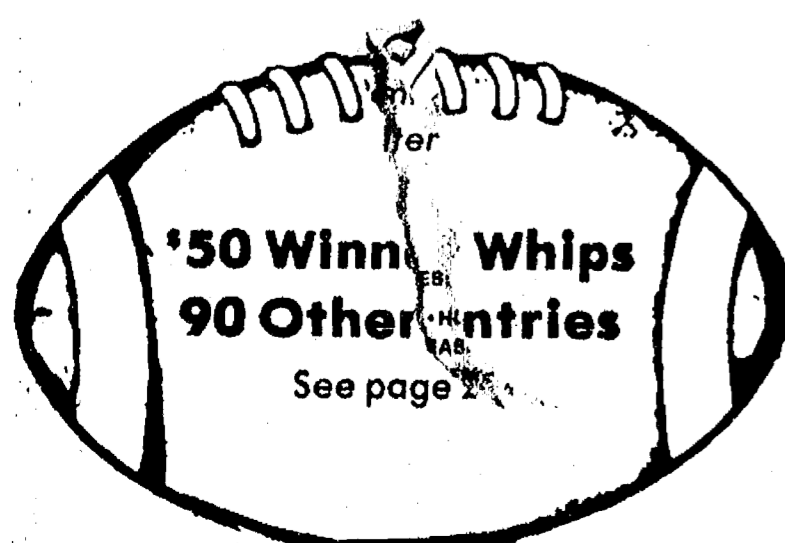

That means cuts and reductions of services will be necessary if the millage is not passed. Waiting lists will develop for in-home services (Meals on Wheels, Home-making, Personal Care, etc.), staff reductions and office hour reductions could be necessary to reduce costs. This action could affect recreational activities, health programs, insurance and financial management assistance, information and referral and other activities, said Haag.

Many people were confused by the wording on the requested millage at the Aug. election, she said. The .20 was not for a new building. The monies will be used to maintain the present location and continue the services and programs presently established plus increase those needed.

"If the millage is not passed in November, beginning in 1990, some real decisions will have to be made on which services will be cut. I would not look forward to telling clients their homemaking services, personal care, home delivered meals were being discontinued for lack of adequate funds or telling new clients their name would be placed on a waiting list for services," said Haag.

If the millage is not passed and in order to maintain services at the same level, it would be necessary to have many fund raising activities (bake sales, raffles, etc.) to meet the \$30,000 needed, she added.

The COA is seeking volunteers to assist in the election. If you are interested, call 348-8031.

SLED HOISTED — The DNR supplied the tilt-bed truck and winch needed to safely transport the logging sled.

Where Should Recovered Logging Sled Go — State or County?

(Continued from page 1)

water. The divers were looking for fishing equipment that might have been lost during the winter's ice fishing season. As the divers continued to search the area, they found the sled. Because it was buried in silt with only a few inches exposed, it took several dives to confirm the find.

"When I first ran my hands along the hard smooth surface buried by several inches of silt," recalled Coe, "the first thought that popped into my head was that I had stumbled across an alien spacecraft. The wood was so smooth that I thought I was touching metal and glass."

Realizing the historical importance of their find, the divers felt determined to show to the people of Crawford County this piece of local history. Concerned that a fall storm, or winter wind and ice conditions could completely bury or even cause the sled to move and be lost again by spring, the divers began to set into motion plans to raise the sled.

Divers from the Crawford County Sheriff Department were recruited for the project. Necessary equipment was borrowed or constructed. Since Lake Margrethe has riparian rights, and the sled was located off the Camp Grayling shore, the divers required State of Michigan permits to retrieve the object.

Mark Lutz, Conservation Officer, obtained the necessary permission, but he also informed the divers that the sled belonged to the State of Michigan.

When Coe and Butzin first discovered the logging sled, they had hoped, along with Ruddy, that the sled would be displayed at the Crawford County Historical Museum. They were disappointed to learn that the State would be taking possession; however, this fact did not diminish the pride each diver involved in the project felt about his accomplishment. Coe said that he would be satisfied as long as the artifact remained in Crawford County and that the sled was not separated or improperly preserved.

Coe said that the front runners, tongue and pieces of leather he suspects to be parts of the harness are still underwater about five feet from where they found the main sled structure. The diving team is formulating plans to recover these remaining pieces, which will complete the find. The divers speculated that because the harness and front runners were located near the sled, the entire team of horses pulling the sled may have went through the ice.

Ruddy was disappointed to learn of the State's intention to take possession of the sled.

"I do not dispute the State's legal rights to the logging sled," Ruddy stated, "but I do question their moral rights." Ruddy explained that the artifact is part of Crawford County's history. He said that the County's museum is continuously trying to gather

and preserve bits and pieces of Crawford County history for future generations. "The logging sled," he said, "is a piece of our history that the Museum is missing." He said that it would mean a great deal to the County to have the State relinquish their claim on the recently recovered logging sled and return it to where he believes it belongs.

The Crawford County Board of Commissioners are in total agreement with Ruddy's statement and at their Thursday, September 29, meeting voted unanimously to contact the offices of Ralph Ostling and Connie Binsfeld and request their assistance in having the sled returned to Crawford County.

Robert Bacon, manager of the Hartwick Pines State Park, stated that the Secretary of States Office, Historical Division, was in charge of the logging sled, as it is for all historical artifacts. He said that he had been in contact with James Schultz, from the historical division, and that preserving the sled properly was a time consuming and expensive process.

The preservation process involves the daily submersion or daily application of poly-glyfenol to the surface of the wood for approximately one year. Schultz said that if this process does not begin immediately, the sled will begin to rot.

Schultz said that the State was currently looking at a couple of options regarding the sled. One option is to discard the original wood and use the existing hardware and new wood to rebuild the sled. The second option they are considering is to return the sled to the lake bottom. When the divers pulled the sled out they said the wood felt very solid. Bacon said the wood was already showing signs of rotting.

Bacon said that for the time being the park personnel will keep the sled outside and wet. He expects a decision on the sled sometime in the next week to ten days.

The controversy over where the logging sled should be housed has Bacon confused. He stated that Hartwick Pines is a logging museum which has approximately 200,000 visitors annually. He said that as long as the sled remains in Crawford County, he does not feel it matters where it is located.

Ruddy on the other hand believes that the sled belongs at the Crawford County Historical Museum. He said that Hartwick Pines has several logging sleds, but that he is not sure where they came from. He knows where the sled from Lake Margrethe came from, and who spent the time and energy to find and recover it.

"It should belong to the people of Crawford County, and be preserved for future generations at our museum," Ruddy stated. "My only hope is that we can somehow make the State of Michigan agree with us."

DIVERS AND THE DNR — As the divers towed the logging sled to shore the DNR stood ready to assist them in the final stage of recovery.

Lehman Inmates Help Needy Children Here

The "Child of the Month Club" at Camp Lehman has helped sponsor 12 children in need from the Grayling, Crawford County area since May.

Money is earned through fund-raising drives such as the popular dinner sales. The dinners sold to supportive inmates here at the camp are prepared by and purchased from different food vendors from the surrounding area. In the month of July, Chicken dinners prepared by 'Glen's Market', and in the month of September, from 'Burger King', Whopper, french-fry and onion-ring dinners were sold.

Corrections officer F. Gerding acts as business liaison. Contacting prospective vendors, she commits herself to pricing merchandise suitable to the financial status of the camp's prisoners.

On the ticket sale cut-off date, in the presence of the Child of the Month Club steering committee, the tokens are calculated and sent as soon as possible by C/O Gerding to Camp Control/Camp Waterloo. There, these tokens are converted to cash and the money is held at Camp Control in the 'Inmate Benefit Fund' under a special account headed "Child of the Month Club - Camp Lehman."

Each month, acting for the club, if club finances allow, C/O Gerding contacts Camp Control and makes the necessary arrangements to have a \$100.00 check prepared for the Child of the Month, and a check made to cover the dinners purchased from the food vendor.

Although the Club's name infers that there is only one child of the month, there actually are two children. A

little girl and a little boy who equally share the \$100.00 each month. C/O Gerding contacts the Michigan Department of Social Services and requests that they select a little girl and boy recipient; the only contact the inmate club members have with the children are through the thank-you letters the club receives from the children's parents. When the selection is made, Michigan Department of Social Service staff members escort the children along with the parents on a shopping trip to purchase items that the children may need.

The feedback the club members and prison population receives regarding this ongoing project is inspiring, to say the least. And as C/O Gerding sees it, "It is a very positive project. It provides the prisoners an opportunity to participate in a way to give something back to society, and it allows society an opportunity to see the human compassion side of the prisoners."

PROBATE IN PERSPECTIVE

BY: GRACE DOPP WEGNER

A WILL is a document containing your wishes and desires about what will happen to your property after you die. By leaving a Will, you are exercising your right to determine who receives what share of your assets. Without a Will, your property will pass as directed by the State laws which will distribute your estate according to a formula based on people's family relationship to you. Under either of these circumstances, your estate will have to go to Probate Court.

The only way to avoid Probate is to place all your property in joint ownership or joint tenancy so that after one owner dies, the other owner or joint tenant automatically owns all. Sounds simple and can be useful, as in a husband-wife situation. But it could create problems instead of solving them. For example, when real estate is placed in two or more names, all persons named must agree if the property is to be sold. The person creating joint ownership of property, gives up complete control of their property.

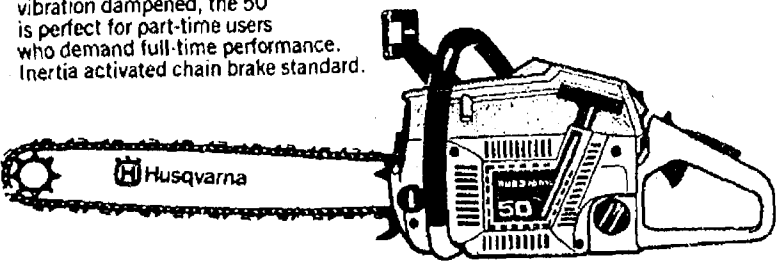

All adults should have Wills. You may think your estate is not that big, but whatever you have, you want it to be used in the best way possible for your family or friends. Certainly when you have minor children, it is important to designate in your Will who would be your choice as to a Guardian of your minor children upon your death.

Pd. for by the Committee to Elect Grace Dopp Wegner for Probate Judge.

GAZEBO PARK RIBBON CUTTING — Special guests and local business people met in the rain Saturday, October 1, to officially open the Gazebo Park located on the old Avalanche lot next to Emil Kraus' law office. The Kraus family has allowed local businesses and community groups and individuals to use the area for a park. Volunteer time and materials used to improve the area cost in excess of \$8,000. Judy Weaver of Weaver's Gifts is shown cutting the ribbon. Refreshments were served by area Girl Scouts.

Free Health Screenings Offered On October 8

Health Awareness Day for Crawford County residents will be held Saturday, October 8, from 9 a.m. to 2 p.m. at the Grayling Middle School. County residents in need of health screening should plan to attend this free event.

"We organized this day for the residents of Crawford County who do not have regular access to health care," said Sr. Jean Marie Umlor, RSM, coordinator of the program. "We are reaching out to county residents who have no health insurance. We hope to teach individuals more about their personal health and to learn ways of staying healthy."

Free health screenings will be held in the areas of cholesterol, vision, hearing, colorectal cancer, pap smears, pulmonary function tests, self breast examination and blood sugar levels. Education sessions will be held in blood pressure, nutrition, baby care, dental, scoliosis, exercise, relaxation, AIDS, spouse/child abuse, and stress.

Blood work will be available for those individuals with a history of diabetes, heart, kidney or liver disease, or those on diuretics. If you think you qualify, do not eat for 12 hours and drink only water, black coffee or clear tea. Diabetics should not fast and should take their insulin. Anyone taking prescriptions

should take as ordered.

Pre-registration is not necessary. Transportation will be provided by Dial-A-Ride for a small fee. You must call 348-5409 in advance (Wednesday-Friday) to register for Dial-A-Ride.

Health Awareness Day is sponsored by Mercy Health Services North, Mercy Hospital/Grayling. Additional funding for this project was provided by the following co-sponsors: Weyerhaeuser Company, Georgia Pacific Corporation, Chemical Bank North, Old Kent Bank, Great Lakes Bancorp, Grayling Rotary Club, Knights of Columbus, United Way of Columbus, United Way of Crawford County and Wurt-smith Community Federal Credit Union.

Bear Lake Church To Burn Mortgage Oct. 9

The Bear Lake Christian Church is celebrating, in the church's brief history, by burning the mortgage in a special service Sunday, October 9th, at 10 a.m. Pastor Emeritus Glenn Frye will give the sermon. Former Pastor Denny Freeman will be assisting in the service.

This will be in the Log Chapel at the corner of Hwy. #72 and E. Bear Lake Rd. After the service there will be a potluck dinner in the Twp. Hall across from the church. Following this meal will be an informal program of Remembrances with David Rosenberg, Master of Ceremonies.

Dishes to pass should be left at the Twp. Hall before the 10 a.m. service. Everyone is welcome.

THANK YOU

In honor of my retirement I would like to thank the Elementary School cooks, support personnel and staff for their cards, gifts and excellent food on Wednesday, September 28th.

TO THE CUSTOMERS OF MICHIGAN CONSOLIDATED GAS COMPANY

Case No. U-9174

NOTICE OF GAS COST RECOVERY HEARING

On September 28, 1988, Michigan Consolidated Gas Company (MichCon) filed an application with the Michigan Public Service Commission (Commission) seeking approval of Gas Cost Recovery (GCR) factors of \$3.64 per thousand cubic feet (Mcf), \$3.58 per Dekatherm (Dth), to be reflected in its monthly billings to its retail gas customers commencing with the January 1989 billing month and continuing through the December 1989 billing month. MichCon's proposed monthly GCR factors include rates expected to be paid to its interstate suppliers to allow them to recover certain take-or-pay costs plus interest.

MichCon requests approval of an additional factor of \$.30 per Mcf, \$.29 per Dth, should the Federal Energy Regulatory Commission (FERC) not approve the settlement in ANR Pipeline Company's general rate case, FERC Docket No. RP86-169.

MichCon is a Michigan corporation with principal offices located at 500 Griswold Street, Detroit, Michigan and is engaged in the distribution and sale of natural gas to approximately one million residential, commercial and industrial customers in Michigan.

As defined in 1982 PA 304, a "gas cost recovery factor" is "that element of the rates to be charged for gas service to reflect gas supply costs incurred by a gas utility and made pursuant to a gas cost recovery clause incorporated in the rates or rate schedule of a gas utility." [MCLA 460.6h (1)]. A GCR Clause has been incorporated in MichCon's rate schedule, as Rule 30, pursuant to the Commission's Order in Case No. U-7479 dated September 20, 1983.

In support of its application, MichCon filed testimony and exhibits with the Commission giving details of its GCR Plan, including descriptions of the major contracts and gas supply arrangements entered into for the purpose of providing gas service during the calendar year 1989, and its five-year forecast of the gas supply requirements of its customers, its anticipated sources of supply and projections of gas costs in light of its gas supply purchase plan.

MichCon's filing, including its testimony and exhibits, is available for inspection at the offices of the Commission Executive Secretary, 6545 Mercantile Way, Lansing, Michigan, and at the offices of Michigan Consolidated Gas Company, 500 Griswold Street, Detroit, Michigan 48226.

A Utility Consumer Representation Fund has been created for the purpose of aiding the representation of residential utility customers in energy proceedings. Further information may be obtained from the Chairperson, Michigan Utility Consumer Participation Board, Department of

Management and Budget, P.O. Box 30026, Lansing, Michigan 48909.

Jurisdiction is pursuant to Sections 1, 2, 6, 7 and 8 of 1909 PA 106, as amended, MCLA 460.551 et seq.; 1909 PA 300, as amended, MCLA 462.2 et seq.; Sections 3 and 4 of 1919 PA 419, as amended, MCLA 460.51 et seq.; Sections 4, 6 and 6a of 1939 PA 3 as amended, MCLA 460.1 et seq.; 1982 PA 304, MCLA 460.6a, 460.6b, 460.6h, 460.6i, 460.6j, 460.6k, 460.6l and 460.6m; 1969 PA 306, as amended, MCLA 24.201 et seq.; and the Commission's Rules of Practice and Procedure, 1979 Administrative Code, R 460.11 et seq.

NOTICE IS HEREBY GIVEN that:

A. The public hearing in this matter will be held at 9:00 a.m. on October 25, 1988, in the offices of the Commission, Mercantile Building, 6545 Mercantile Way, Lansing, Michigan. The hearing will be in the nature of a prehearing conference and will be held for the purpose of considering matters which will expedite this proceeding. Any interested persons may attend the hearing and participate, subject to the provisions of the Commission's Rules of Practice and Procedure.

B. Any person seeking to intervene, in accordance with Rule 11 of the Rules of Practice and Procedure Before the Commission shall file with this Commission, on or before October 20, 1988, an original and 12 copies of a petition to Intervene, with a Proof of Service indicating service upon Mr. A. Hayes Butler, Office of General Counsel, Michigan Consolidated Gas Company, 500 Griswold Street, Detroit, Michigan 48226. Subparagraph (2) of said Rule 11 provides as follows:

"(2) A petition to intervene shall set out clearly and concisely the facts supporting the petitioner's alleged right or interest, the grounds of the proposed intervention, and the position of the petitioner in the proceeding, so as fully and completely to advise the parties and the commission of the specific issues of fact or law to be raised or controverted." (Emphasis added)

The Commission will require strict compliance with the above-quoted rule.

C. THE GAS COST RECOVERY FACTORS DESCRIBED IN THIS NOTICE HAVE BEEN REQUESTED BY MICHIGAN CONSOLIDATED GAS COMPANY. THE MICHIGAN PUBLIC SERVICE COMMISSION MAY APPROVE, REJECT OR AMEND THOSE FACTORS.

Lewiston Takes Home Traveling Band Trophy

On September 17, the north counties held their annual kitchen band jamboree in Grayling. Six bands participated from Manistee, Lewiston, Harborview, Traverse City, Kalkaska and

Grayling.

Five judges (Dennis Ormsbee, George Morse, Jim Hough, Nancy Hoffman and D.J. Taylor) scored the bands on: overall appearance, enthusiasm, originality of instruments, leadership, diversity of acts and arrangements.

The ages of participants ranged from 55 to 91.

More than 325 persons were in attendance at the Grayling Knights of Columbus Hall for the competition, hosted by the 1987 champions "Graylings Top Hats" under the direction of Jan Farley. A roast beef dinner was provided by the Crawford County Commission on Aging with the help of volunteers, John and Helen Leykauf, Bill and Julie Schultz, John Preble, Ed and Velma Lobell, Jess and Ruth Cruz, and Betty Price.

After the dust of washtub

drumming, kazoo blowing, piano playing, washboard strumming, and other musical kitchen product instrument playing had cleared, the judges determined the order of completion:

1) Lewiston Nifty Fifty Band, 2) Grayling Top Hats, 3) Harborview, 4) Traverse City, 5) Manistee, 6) Kalkaska.

A large traveling trophy was presented to Lewiston, as well as smaller trophies to keep were given to the top three bands and all received ribbons and certificates of participation. The traveling trophy is engraved with the winners name and if the same band wins three times in a row, they are allowed to keep it. So far no one has managed to accomplish that feat.

Next year's competition will be hosted by this year's winners at Lewiston.

Concert To Feature Hymns

The music ministry of the Michelson Memorial United Methodist Church will hold "Praisefest", a concert of praise-filled music.

The Church's three young Choirs (ages 3-17), the Senior Choir, the Hand Bell Choir, and several favorite soloists and ensembles will combine efforts to present hymns, old and new. Especially featured will be songs to be contained in the newly approved United Methodist Hymnal.

The concert will be held Sunday, October 23rd, 7:00 p.m.

Vikings Gear Up For Homecoming Clash

The weather in Petoskey was perfect for playing football Friday night, September 23, but that was about the only bright spot for Viking

fans as Grayling was defeated 39-0. "We were just overpowered," Coach Stowers said. "They were stronger than us, and they overpowered us."

Stowers explained that some key injuries had left the team "thin on the line", forcing several people to play out of position.

"Our two best blockers had to play on opposite sides of the line which hurt us offensively," Stowers explained.

Defensively, John Gay was Grayling's leading tackler and he also played a decent game as an offensive lineman, reported Stowers. He also credited Mick

McKinney with improving as the game progressed. McKinney played out of position because of the injuries sustained by Jeff Millikin, Nate Ginther and Chris Millikin. Stowers stated that Frank Hartwick gave the team a consistent effort.

"Offensively we didn't do much," said Stowers, "although John Lamie had a good effort for us."

The injuries to Grayling's players are not severe, and Stowers believes the team will be ready for their Homecoming game, Friday, October 7, against Kalkaska.

"The team is motivated and hungry," Stowers stated, "I think it should be a good game."

SOCCER CLINIC — Attending the 4-H Soccer clinic were (back, L-R) Ron Hough, soccer professional Larry Best, Jeremiah Blaauw, Ben Cook, Jason Thompson, Max Thompson, Steve Langseth, front, Patrick Nolan, Chip Mason, Tom Mason, Kevin Langseth, Tim Febey, and Eric Thompson.

Fumbles Cost JVs Victory

Fumbles took their toll Thursday night, September 28, and the Grayling J.V.'s lost to Petoskey 22-20 on their home field.

The J.V.'s started off the first quarter with an interception by Bobbie Harris. Coach Fred Wolcott said that good blocking allowed Dana Mirate to score Grayling's first touchdown. Quarterback, David Teddy, kicked for the extra point, and the Vikings took the lead, 7-0.

Grayling recovered a Petoskey fumble which set up the Vikings second touchdown by Shane Fraser on a 60-yard screen pass by Teddy. Teddy kicked the extra point giving Grayling a 14-0 cushion at the end of the first quarter.

Petoskey came back in the second quarter to score twice. One touchdown was preceded by a Viking fumble. Petoskey kicked the extra point after their first touchdown, and made a two point conversion on the second touchdown, which gave Petoskey a 15-14 advantage at the end of the first half of play.

In the third quarter Grayling received the kick-off. During their first play, Grayling fumbled and Petoskey scored again. The extra point was good; the score was 22-14 Petoskey.

With 7½ minutes remaining in the game Grayling scored the last touchdown of the game on a three yard run by Mirate. The two point

conversion attempt failed.

"It was a hard hitting game," stated coach Fred Wolcott. "Grayling jumped out early, but we had a tough second quarter and even the beginning of the third quarter." Wolcott said that the fumbles, occurring where they did in the game, also hurt Grayling's scoring possibilities and enhanced Petoskey's. He said that the J.V.'s played a good game against a big strong Petoskey team.

"The team never gave up," said Wolcott.

The J.V.'s will be playing a non-conference game Thursday, October 6, against Kalkaska at Kalkaska. This will be the first time the Grayling J.V. team has ever played Kalkaska.

4-H Soccer Attracts 185 Players This Year

The 4-H Youth Soccer program has started its 5th season and is attracting more participants each

year. The Grayling Chamber of Commerce sponsored a free clinic this summer for the players, and may present another later in the season or early next fall. Larry Best, professional soccer player for the Washington Diplomats, donated his time to teach the youth some basic skills. Best demonstrated technique and some tactics, then led the players through drills to practice his instruction.

Best has been involved with the 1988 Olympic Soccer team and has received recognition from their sponsor, Anheuser-Busch. He coaches the Virginia State Women's Soccer team, leading them to win the East Coast Region One championship 5 times, resulting in recognition as an outstanding coach. He also coaches the Vista Rebels U-19 Girls team, preparing them for the World Cup Finals to be held in the U.S. in 1994. If those jobs aren't enough to keep Best busy, he also serves as the U.S. Promotion Manager for the Diadora Soccer U.S.A. team. Larry had been visiting his father, Ken Best, of Grayling, and was gracious enough to spend some time with these lucky soccer players.

The 4-H Youth Soccer program began in 1984 with about 65 children participating. This year they had close to 185 sign up, making

up 14 teams in Grayling and Frederic. This number does not include the people who volunteer as coaches and referees. This program is totally supported locally with businesses in Grayling and Frederic sponsoring teams and donating door prizes for the final games. Other than volunteering as coaches and referees the parents also help by saving green slips for the program and provide drinks for the players during the games. The parents of the Viking wrestling team have operated the concession stand at the final games. This year, as well as last, the Kiwanis have their concession trailer at the Saturday games. The school administration has been supportive by allowing the use of the band and football practice fields for the Saturday games and the football field for the final games.

The public is invited to attend any of the games and see first hand just what 4-H Youth Soccer is all about.

Games are on Saturdays beginning September 17 and ending October 15. The game times are: 11 years and up, 9:30 and 11:00 a.m., 8-10 year olds, 12:30, 2:00 and 3:30 p.m., 6-7 year olds, 11:00 a.m., 12:30 and 2:00 p.m. The final games will be held at the football field on October 23, 24, 25, and 26 at 6:00 and 7:30 p.m. There is no charge for admission.

Girls Beat St. Ignace, Houghton Lake Easily

The Varsity girls basketball team crossed the Mackinaw Bridge Thursday evening, September 29, and defeated St. Ignace 49-33.

"It is always a pleasure to play well on the road," said head coach Howard Lehti, "and Grayling played extremely well Thursday night." In fact, Lehti stated that the girls played their best game as a team so far this season.

Grayling took an early lead in the game and was ahead by 10 points at the end of the first quarter. By halftime Grayling led St. Ignace 34-13.

St. Ignace came back in the third quarter to narrow Grayling's lead to 40-25. Grayling regrouped, and again playing together as a team, was able to finish solidly with a 49-33 final score.

High scorer for the game was sophomore, Heather Stephenson with 12 points.

Lehti said that Heather has finally begun to assert herself, as the coaching staff knew she was capable of doing. He said that Heather is capable of contributing a great deal to the varsity squad.

Other scorers on the team were Lori Gust and Melanie Ojala with 10 points each, Patti Tremblay 6, Nikki Trenary 4, AJ Pratt, Deanna Phelps and Peggy Kraus with 2 points each and Anne Petrosky with 1 point.

On Tuesday, September 27, Grayling capitalized on their home court advantage and sent Houghton Lake packing after defeating them 75-47.

At the end of the first half Grayling led Houghton Lake by only five baskets. Lehti said that at halftime it was still anyone's ball game. He said that the team knew that they had to come out and play a real strong third quarter, which they did. Grayling

outscored Houghton Lake 16 to 7 in the third quarter giving Grayling a healthy 51-32 lead.

In the fourth quarter Grayling outscored Houghton Lake 24 to 15.

High scorer for the game was Heather Stephenson with 17 points.

Other scorers were: Lori Gust 13, Melanie Ojala 12, Deanna Phelps 11, Patti Tremblay 8, Nikki Trenary 7, AJ Pratt 3, Anne Petrosky and Aimee Rochette with 2 points each.

Lehti said that the team shot 63% from the free throw line and their rebounding effort allowed Grayling to control the board.

Gaylord and Grayling are currently tied for second place, one game behind first place Sault Ste. Marie.

Lehti said that he hoped that this week being Homecoming Week would serve to motivate the girls for both games.

JVs Roll Over Houghton Lake

A poor first quarter by the J.V. girls basketball team helped St. Ignace along their way to a 44-29 victory Thursday night, September 29th.

Coach Dallas Hudson explained that his team was intimidated by the size of the St. Ignace team, which affected their first quarter playing. At the end of the first quarter St. Ignace held an 11-3 lead. The Grayling team was unable to recover from St. Ignace's early lead.

High scorer for the game was Claudine Allen with 15 points.

Other points were scored by: Michelle Burcham 7, Lisa Jo Barber, Nicki Morrill and Cindy Fedewa each scored 2 points, Krista Wyman 1.

Coach Hudson credited Burcham and Allen with an excellent effort in the game. He said that this was the first time the team had played the St. Ignace team, and there were just too many un-

known factors.

"It made for a long ride home," stated Hudson.

On Tuesday, September 27, the game with Houghton Lake was just the reverse of the St. Ignace game, with Grayling winning 45-29.

Grayling took an early lead in the first quarter and held the lead throughout the game.

"We had the experience of having played them before," said Hudson, "and the girls did not intend to lose to them again." The team came onto the floor fired up, Hudson explained, and they played good basketball.

The entire squad shared the playing time which provided valuable experience to the team.

High scorer for the evening was Claudine Allen with 11 points.

Other scorers were: Nicki Morrill 8, Michelle Burcham 6, Lisa Barber 6, Shannon Hinds 4, Andrea Austin and Kristy Reichelderfer had 2 points each.

The J.V. team played Gaylord on Tuesday, and will play Petoskey at home Thursday night, October 6th.

Freshman Girls Win Second

The freshman girls basketball team evened their record at 2 and 2 by defeating Houghton Lake by a score of 32-28 on Wed., Sept. 28th. Grayling was led by Bilye

Morrow with 13 points and Kris Welch with 8. Brenda Moshier and Nicki Barnes both turned in a good defensive game. The girls next game is on Wed., Oct. 5, at

Cheboygan. Scoring was Bilye Morrow-13, Kris Welch - 8, Kris Lamie - 4, Brenda Moshier - 3, Tara Bertalan - 2, and Kim Labo - 2.

Local Aikido Students

Attending Master Demonstration

Several members of the Hanson Hills Aikido Club will participate in a demonstration featuring Takashi Kushida, one of the world's top-ranked aikido masters, on Saturday, October 15, 2:30 p.m., at the Traverse City Senior High Auditorium.

Along with aikido, the demonstration will include a rare exhibition of the samurai sword method, Genbu Sotojutsu, by Kushida. Sotojutsu has been passed down in the Kushida family in Japan since the early nineteenth century. Kushida, the sixth generation master, will demonstrate this once-secret art with his 22-year-old son Akira.

Aikido is practiced by men, women and children from as young as eight up to 60 or 70 years of age. The founder of the Yoshinkai style of aikido, 73-year-old Gozo Shioda, is still active in teaching and demonstrating the art in Japan.

Kushida, 53, is an eighth-degree black belt, making him the highest level Budo sensei (teacher) ever to demonstrate in northwestern Michigan. In honor of his stature, Kushida will be awarded the Key to the City by Traverse City Mayor Bryan Crough and an official letter of welcome from NMC President Dr. Phillip Runkel, in a ceremony prior to the demonstration.

The Japanese art of aikido - literally the way (do) of harmony (ai) with the life force (ki) - combines self-defensive techniques and a Zen-like philosophy to teach living in harmony with the

world. Although it does not involve sparring or competition of any kind, aikido's basic in the arts of the Samurai warrior is apparent in the incredible throws, pins and weapons techniques seen in Kushida's demonstrations.

Often confused with the sports-oriented martial arts

like judo and tae kwon do, aikido is actually a form of Japanese Budo. The traditional Budo arts of Japan are a path for personal growth through mental discipline and physical training which evolved out of the philosophy, lifestyle and training of the ancient Samurai.

Tickets for Sensei Kushida's demonstration are \$5; age 17 and under \$3. Tickets are available in Traverse City at Little Professor Book Center, Oryana Food Co-op, Higher Self, Sports World (Cherryland Mall), Full Moon Records, the NMC Bookstore and at the door.

Business

Bear's Country Inn Becomes Local Success Story

Barry McClanahan is an exceptional young entrepreneur. By the time McClanahan was 23 years of age he had worked in an Indiana foundry, as a finish carpenter, for the DNR Fisheries Division, on a seismographic

crew for an oil company, owned his own construction company, and finally opened his own restaurant, Bear's Country Inn. Barry has also spent 7½ years with the Michigan National Guard. McClanahan owns the

business with his wife Marilyn (nee Latusek) and his parents, Ray and Treva McClanahan.

Treva McClanahan has spent 39 years in the food service business.

The McClanahans purchased the business in December of 1982 from Curly LaMotte. Barry immediately gutted the restaurant, and reusing many of the materials began to remodel the business on a shoestring budget. Besides the remodeling the McClanahans had to purchase a few pieces of equipment, and some basic restaurant necessities like pots and pans.

To show their gratitude to the special people in the community who helped them get started, Barry and his partners prepared a feast, and invited each to a pre-opening dinner party. The new Bear's Country Inn staff served the meal. Among those invited was Jack Alef from the Grayling State Bank, Curly LaMotte who believed in Barry, and accepted his business offer, and several owners of local businesses who extended credit when credit was needed.

Bear's Country Inn, so named after Barry's nickname "Bear", opened in late

February, just days after the birth of Barry Kurtis, "little Bear", Barry and Marilyn's son. By this time the shoestring had become so tight, that Barry had to borrow \$300 from his mother to use to make change in the cash register on opening day.

When Bear's Country Inn opened, the restaurant could seat 48 people. In the spring of 1984 Barry began building the large dining room, which increased their seating capacity to 112 customers. In 1987 Barry added the new kitchen. Eventually the basement apartment was converted into a private dining room which Bear's offers for small parties and banquets (rent free if Bear's is contracted to cater the party.) The room is also used by several community groups as their monthly meeting room.

Other business improvements included enlarging and improving the parking facility.

The catering portion of the business started off slowly, but has grown until now it provides for approximately 30% of Bear's business. Barry stated that Bear's Country Inn's ability to cater for large groups has helped to make the catering business a success. They have

catered Camp Grayling functions that have involved more than 350 people.

Barry said that when he and his mother first started to accept catering jobs, they prepared the food after the restaurant had closed for the day, and all the cleaning was finished. It involved many long nights, not only for Barry who had worked all day at the restaurant, but also for Treva, who was working full-time as food director for Mid-Michigan College in Harrison. Today with eight full-time kitchen employees, the catering business is more enjoyable.

"Without Mom's knowledge, and her willingness to teach me about the food service business," said Barry, "I never would have been able to make it this far. She is a wonderful teacher!"

During the fall, winter and early spring Bear's Country Inn employs 14 full-time employees and 4 to 6 part-time workers. In the summer this number increases to 20 to 25 employees.

Bear's Country Inn strives to keep their menu fresh by continuously adding new items. Their Wednesday night Senior Citizen buffet offers a full array of delicious foods for a reasonable price.

Thursday night will

feature "Back in time" foods. It will be an evening of specials from the kitchen and will include items such as New England Boiled Dinner and other dishes thought to be old fashioned.

Friday night will continue to be Bear's seafood buffet.

Barry said that he enjoys the slower pace that fall and winter provides. He explained that it allows him time to include the personal touch to his business that the summer rush does not. It also allows him to serve the types of meals that he intended to serve when he first opened the Inn.

"Since I have become a businessman in Grayling, I have had the opportunity to meet many other business people," Barry stated. "I like the people who make up this community, because they help and support one another." Barry said that he believes that this cooperation is what makes Grayling a successful community. "It is people interdependent on one another," he said, "working together."

Bear's Country Inn is located on the I-75 Business Loop, next door to Warbler's Inn. It is open from 6 a.m. to 9 p.m. everyday of the year, except for Thanksgiving and Christmas. During the summer the closing time is extended to 10 p.m.

Eye Care News

Duplicate Eyewear
By: Richard Ferrigan

Fashionable Eyewear

QUESTION: How can eyewear add to a fashionable appearance?

ANSWER: Eyewear can be very essential as a fashion accessory. By choosing the right frame shape and color you can create a look that is very enhancing to the wearer. Frame shapes should be based on your facial structure whether it be oval, round, square, oblong or other. Frames are designed to lengthen, shorten, widen or reduce the facial structure. Colors are used to brighten, darken, lessen or heighten certain areas of the face. Brighter colors are very fashionable and lighten a otherwise dark featured face. Darker colors can give a very powerful look or give a look of elegance to the wearer. The right shape combined with color can be used to make your appearance very casual or very professional.

Marching Band Adds To Homecoming Festivities

On Friday, October 7, Homecoming 1988, ninety-one Grayling High School students will be on the Viking football field. Viking football hasn't gone through major expansion for the game against the Kalkaska Blue Blazers, the sixty-four additional students form the Grayling High School Marching Band and Flag Corps.

The band signals the start of the game by lining up for the across the field drill, when fans will rally to their school song and rise for the National Anthem.

Momentum is maintained for the Vikings during the game as the band plays a variety of short pieces and cheer responses.

Minutes prior to half-time, the fifty-five band and nine flag corps members begin marching in well organized patterns to ready themselves for the half-time formations and musical entertainment.

Just as the football team practices their drills and formations prior to the start of the new school year so must the Viking Marching Band. Practice continues under director, Dennis Ormsbee, during daily high school band classes with once week-

ly pre-school drills in combination with the flag corps and their advisor, Nancy Kreidler.

Following half-time cere-

monies the Viking football field is reduced to the initial team of twenty-seven Varsity players as the band and flag corps members trans-

form themselves into conventional Viking fans until the bell rings Monday morning and practice begins once more.

Grayling Elementary

I knew some people that were going to be in my classroom. I was glad that people that I knew were in my class. I wanted to be in Mr. Hatfield's class because he's a nice teacher.

I like science. We studied insects this year. We drew pictures and had to tell the parts of them, like the head, the abdomen, and the thorax.

I like social studies. We've been talking about Chris-

topher Columbus. He discovered America. We've been talking about the Olympics and the new president that we will get by voting. Dictated by Mike Bobenmoyer, Mr. Hatfield's fourth grade.

The school is great. It's fun here. The teachers are nice. I felt scared the first day of school. I was scared because I didn't know anybody. I knew a couple of girls and

boys but I didn't know if they were going to my school. Because we just moved in a couple of weeks before school. I came from Swartz

Creek. I lived in a gray house and now I've moved into a chalet. Dictated by Rachel Batzloff, Mrs. Akers' fourth grade.

SENIOR CITIZEN'S CORNER

HELPFUL IDEAS FOR SUCCESSFUL RETIREMENT

Seniors Beware!

This is the time of year when everyone starts getting their homes ready for the long, cold winter months ahead. There is painting, caulking, re-roofing, and a host of other chores to be done. Thousands of seniors will be looking for contractors and/or handymen to help or do all the jobs for them. Sadly, many unscrupulous businesses prey on supposedly "naive" senior citizens.

Just about every television station has some sort of consumer watchdog, and if you watch their reports you'll be surprised how many elderly people have been "taken to the cleaners." Don't you be one of them! When looking for contractors, ask for local references, and check out every single one. If possible, go in person so you can actually see the work that was done. Remember, however, that a contractor is not likely to give you the name of an unsatisfied customer. But you

can ask questions concerning the contractor's work ethic, how much he paid attention to details, and if he finished the job when promised.

Next, talk to the Better Business Bureau and your state's Attorney General's office. If there have been any complaints, they will have them on file. If at all possible, try to stay with a contractor or handyman that has been in business, in your town, for at least five years. Although this won't guarantee good work at a reasonable price, it is still much safer. If someone knocks on your door and asks for unsolicited work because he "has materials left over from a job he just finished down the street," close your door as quickly as you can.

Finally, read anything you must sign very carefully. Make sure you understand your rights concerning work you're not satisfied with, the terms of payment, etc. Never pay in advance.

Applications for the Grayling Rotary College Scholarships are available at Grayling High School counseling office. Applicants must have completed one year of college to be eligible. Applications must be postmarked by October 14th, 1988.

SADD Begins 2nd Year At Grayling

By Joe Francis
The local SADD (Students Against Drunk Driving) chapter at Grayling High School has begun the second year of operations. The chapter has several events coming up, such as electing the new executive board, planning a SADD Awareness Week in November and sending students to the Michigan SADD conference at Shanty Creek in Bellaire, Michigan.

The students are also planning to have media coverage on channel 9 and 10, public service announcements through the local radio stations, and articles in the Crawford County Avalanche.

The advisors for the chapter this year are: R.J. Hannan, William Bonkowski, and Joe Francis. Assisting the chapter is last year's president Jannice Helsel who was nominated to serve on the Michigan SADD executive board.

The local chapter consisted of 85 members (9-12) last year and they are expecting to pass their goal of 100 members this year. In doing this, the chapter is promoting SADD through the high school, middle school, and the fourth and fifth grades at the elementary school.

Last year in October, Grayling High sent students to Mackinaw Island for a three day SADD conference. The conference consisted of some 700 students and advisors. This year the SADD chapter is sending students to Shanty Creek, in Bellaire, Michigan for a three day conference on November 12, 13 and 14.

The conference will help the students to better understand the problems of drinking and driving and to also give them a better insight as to how SADD operates. The conference committee will allow only six students per school to attend, so the SADD chapter at GHS is sponsoring an essay contest

to the members of SADD. The essay will consist of no more than 300 words on why the students want to go to the conference. Then the chapter's executive board will choose from the essays which students will attend the conference.

City Council Proceedings

September 12, 1988

Regular meeting of the City Council held September 12, 1988.
Meeting called to order by Mayor Golnick at 7:30 p.m.
Members present: Golnick, Latusek, Sloan, Thompson, White.

Members absent: None.
Also in attendance: Jerry W. Morford, City Manager; Allen V. Schreiner, City Treasurer; Roy Knight Jr., Michael Knight, Jim Knibbs, Mary Jane Knibbs, Emil Kraus, Helen Harwood, John Cherven, Nelson A. Miles, Ralph Hoffman, Dusty Smith, Irv McIsaac, Albert Quaal, Pete Kurak, Shirley Bendig, Nicole Waldorf, Carolyn Rakoczy, Elaine Hughey, Ron Rakoczy, Tom Mills, Bruce Gillis, Marian Joseph, Richard Alber, Jamie Henry, Patricia Schreiner, Paul Olson.

Moved by Sloan, supported by Latusek that the minutes of the meeting of August 29, 1988 be approved as presented. Ayes: 5, Nays: 0, Absent: 0, motion carried.

Citizens who wish to speak. None.
Communications were received and noted.
From E.D.A. re: Grant Application.
From Police Chief re: August Department Report.
From Fire Chief re: August Department Report.
From Grayling Promotional Association re: Christmas Lighting.

Old Business.
Moved by Golnick, supported by Latusek that the Public Hearing on Lot 10 of Hadleys Addition be removed from the table. Ayes: 5, Nays: 0, Absent: 0, motion carried.

Mayor Golnick re-opened the Public Hearing on a request to rezone Block 10 of Hadleys 2nd Addition from R-2 to C-2 which was tabled at the last meeting. Mr. Nelson Miles requested to speak first on the petition. He stated that after further review that this matter is governed by the zoning laws of the State and the City. He presented two letters in reference to the petition. One from the petitioner Ms. M.J. Knibbs and one from the Community Self Improvement Project. Both letters supported the request for the zoning change. Mr. Miles asked why this should be the only piece of property on either side of McClellan Street not to be zoned C-2. He cited legal decisions which he felt supported the petitioner. Mr. Kraus spoke in opposition to the zoning change. He noted that no changes in the character of the street have been made in the neighborhood which would constitute reason for a zoning change. He stated that this is a historical street and is the only historical street in Grayling. It should not be changed by starting to make it commercial. Mrs. Helen Harwood asked about the parking at the Catholic Church if a business is started there as parking is already in short supply. Mr. Kraus noted that while the present owner would not do anything negative with the property, once it is zoned commercial it can legally be used for any commercial purpose. Mr. Cherven spoke in opposition to the proposal. Mr. Jim Knibbs spoke in support of the petition. He noted the odd shape of the property in question. Mr. Gillis spoke in favor of the petition. He felt that the property is not suitable for raising a family or for housing elderly. Mr. Kraus reiterated that the character of the street has not changed in the last 25 years except to get better for residential purposes. Mr. Rakoczy spoke in opposition to the petition. Mr. McIsaac spoke about the possible change and the desire of the church to own the property. Mr. Kraus stated that as far as he knows everyone on the street is opposed to the zoning change. Dr. Hoffman noted that once a piece of property is declared commercial the domino effect will take place.

Mr. Golnick closed the hearing at 8:15 p.m. Ms. Latusek stated that she understands the owners desire to sell, but rezoning the property would change the character of the street. Mr. Thompson noted that he would vote no for three reasons and yes for eight reasons. Mr. Golnick stated that he did not wish to participate in a rush decision and that the matter should be referred to the City Attorney for review of the material in light of legal questions raised.

Moved by Golnick, supported by Thompson that the matter be tabled until the next meeting to allow the City Attorney time to review all the material presented. Ayes: 3, Nays: 2 (Latusek, Sloan), Absent: 0, motion carried (matter tabled).

A lengthy discussion of the City of Grayling Liability and Property Insurance program took place. Proposals were received from the Michigan Municipal League Liability and Property Pool and the Michigan Township Participating Plan. Representatives of each organization were present. Several questions were asked of the representatives to which Mr. Olson and Mr. Kurak replied.

Mr. Golnick spoke in favor of the M.M.L. proposal and noted that the insurance had been renewed with Michigan Municipal League Liability & Property Pool on September 1, 1988 and that absent a vote for change by the City Council, City of Grayling would remain in the pool for 1988-89.

New Business. None.
Reports of City Manager. None.
Reports of Council Members.

Mr. Golnick reported on a thank-you note from the Bud Sorenson family.

Mr. Golnick asked about picnic tables for the park playground area.

Mr. Golnick asked about a house at the corner of State and Date.

Letter from Professor Daniel Kruger re: National Guard.

Adjournment.
Moved by Sloan, supported by Thompson that the meeting be adjourned. Ayes: 5, Nays: 0, Absent: 0, motion carried. The meeting was adjourned at 9:29 p.m.

NOTICE OF HEARING BEFORE THE MICHIGAN PUBLIC SERVICE COMMISSION

Case No. U-9199

In the matter of the application of Saginaw Bay Pipeline Company for authority to construct and operate the Saginaw Bay Pipeline in Bay, Arenac, Ogemaw, Roscommon, Crawford and Kalkaska Counties.

On August 16, 1988, Saginaw Bay Pipeline Company (Saginaw Bay) filed an application with the Michigan Public Service Commission (Commission) for authority to construct and operate the Saginaw Bay Pipeline.

Saginaw Bay is a Michigan corporation with principal offices located at 500 Griswold, Detroit, Michigan, and is a wholly owned subsidiary of MCN Investment Corporation (MCN). MCN is currently a subsidiary of Michigan Consolidated Gas Company.

Saginaw Bay represents that the proposed pipeline will have a total length of approximately 125 miles which will be comprised of approximately 68 miles of 20-inch outside diameter (O.D.) steel pipe, 34 miles of 16-inch O.D. steel pipe and 23 miles of 10 1/2-inch O.D. steel pipe. The proposed pipeline will begin at a Shell Western E&P Inc. Essexville gas production facility in Section 21, T14N, R16E, Hampton Township, Bay County and continue generally northwesterly to the existing Kalkaska gas processing facilities in Section 31, T27N, R7W, Kalkaska Township, Kalkaska County.

Saginaw Bay represents that the proposed pipeline is intended to facilitate the production and development of significant hydrocarbon discoveries in the East Central Basin area of Michigan. Saginaw Bay further represents that based upon preliminary estimates, there are proven and probable gas reserves of approximately 1,750 billion cubic feet (Bcf), which, through additional drilling, are capable of being transported by the proposed pipeline. Saginaw Bay represents that additional injection points on the pipeline are planned to be located near the municipalities of Kawkawlin, Pinconning and West Branch. The proposed pipeline will transport gas owned by producers, endusers, pipelines and local distribution companies. Saginaw Bay further represents that it does not contemplate purchasing the gas and liquids that will be transported in the pipeline.

Saginaw Bay represents that approximately 41 miles of the proposed pipeline will be constructed on public lands with the remainder on non-state land. Saginaw Bay further represents that the proposed pipeline and related facilities will be constructed, tested and operated in accordance with the requirements of the Michigan Gas Safety Code.

Jurisdiction is pursuant to 1929 PA 9, as

amended, MCLA 483.101 et seq.; 1919 PA 419, as amended, MCLA 460.51 et seq.; 1939 PA 3, as amended, MCLA 460.1 et seq.; 1969 PA 165, MCLA 483.151 et seq.; 1970 PA 127, MCLA 691.1201 et seq.; 1969 PA 306, as amended, MCLA 24.201 et seq.; and the Commission's Rules of Practice and Procedure, 1979 Administrative Code, R 460.11 et seq.

NOTICE IS HEREBY GIVEN that:

A. A special public hearing for the purpose of taking statements and testimony of any interested persons desiring to be heard on this matter will be held at 7:00 p.m. on October 20, 1988 in the conference room facilities of the Quality Inn, Forwards Conference Center, 2980 Cook Road, West Branch, Michigan.

B. A public hearing in this matter will be held at 9:00 a.m. on November 10, 1988 in the offices of the Commission, Mercantile Building, 6545 Mercantile Way, Lansing, Michigan. The hearing will be in the nature of a prehearing conference and will be held for the purpose of considering matters which will expedite this proceeding. Any interested persons may attend the hearing and participate, subject to the provisions of the Commission's Rules of Practice and Procedure.

C. Any person seeking to intervene in accordance with Rule 11 of the Rules of Practice and Procedure Before the Commission shall file with this Commission, on or before October 31, 1988, an original and 12 copies of a Petition to Intervene, with a Proof of Service indicating service upon Michigan Consolidated Gas Company's Attorney, Mr. Dennis R. O'Connell, 500 Griswold, Detroit, Michigan 48226.

Subparagraph (2) of said Rule 11 provides as follows:

"(2) A petition to intervene shall set out clearly and concisely the facts supporting the petitioner's alleged right or interest, the grounds of the proposed intervention, and the position of the petitioner in the proceeding, so as fully and completely to advise the parties and the commission of the specific issues of fact or law to be raised or controverted." (Emphasis added)

The Commission will require strict compliance with the above-quoted rule.

AU SABLE RIVER

**ATTENTION
RACE FANS!!**

It's well known that the AuSable River Marathon is a long and grueling race for both spectators and paddlers. Realize also that preparations for and production of the Marathon is a long and grueling task for the race organizers. The rewards are great. A unique world class event put on by a small community with strictly volunteer help.

And that is the problem. While many people helped on this year's race, many more are needed if the Marathon is to continue as one of the largest and safest canoe races in North America. The more we share the work load, the more we can do at a far less grueling pace.

YOUR HELP AND SUGGESTIONS NEEDED.

TO ALL INTERESTED AGENCIES, GROUPS AND PERSONS:

On or about November 1, 1988 the above named Crawford County will request the U.S. Department of Housing and Urban Development to release Federal funds under Sec. 17 (a) (1) (A) of the Units State Housing Act of 1937 for the following project:
Rural Rental Housing Rehabilitation Demonstration (RRRD)
Rental Housing Rehabilitation
Crawford County, Michigan
\$50,000.00

An Environmental Review Record respecting the within project has been made by the above-named Crawford County which documents the environmental review of the project. This Environmental Review Record is on file at the above address and is available for public examination and copying, upon request.

Crawford County will undertake the project described above with Rental Rehabilitation Program funds from the U.S. Department of Housing and Urban Development (HUD), under Section 17 (a) (1) (A) of the United States Housing Act of 1937. Crawford County is certifying to HUD that Crawford County and Lawrence Mattis, in his official capacity as Chairperson, consent to accept the jurisdiction of the Federal courts if an action is brought to enforce responsibilities in relation to environmental reviews, decisionmaking, and action; and that these responsibilities have been satisfied. The legal effect of the certification is that upon its approval Crawford County may use the Rental Rehabilitation funds, and HUD will have satisfied its responsibilities under the National Environmental Policy Act of 1969. HUD will accept an objection to its approval of the release of funds and acceptance of the certification only if it is on one of the following bases: (a) That the certification was not in fact executed by the chief executive officer or other officer of applicant approved by HUD; or (b) that applicant's environmental review record for the project indicates omission of a required decision, finding, or step applicable to the project in the environmental review process. Objections must be prepared and submitted in accordance with the required procedure (24 CFR Part 58), and may be addressed to MSHDA on behalf of HUD at 401 S. Washington Square, P.O. Box 30044, Lansing, Michigan, 48909. Objections to the release of funds on bases other than those stated above will be considered by HUD. No objection received after October 31, 1988 will be considered by HUD.

Smoking Linked to Hormonal Changes

Postmenopausal women who smoke cigarettes have higher blood levels of two male-type sex hormones than their non-smoking counterparts, University of California, San Diego School of Medicine researchers report in the lead article of the June 30 issue of the New England Journal of Medicine. This may be one reason why female smokers tend to develop heart disease, a condition generally more common in men, the researchers suggest.

Grayling Township Clerk Receives Municipal Certification

The International Institute of Municipal Clerks has recently awarded the distinguished designation of "Certified Municipal Clerk" to Monica S. Ashton. She is presently serving as Grayling Township Clerk after having been elected in 1984.

For the International Institute to award this honor, Monica had to complete courses in advanced municipal bookkeeping, budgeting, election law, ordinance structure and adoption, codification and enforcement, risk management and investment accounting.

In addition to the above education, Monica received

her Associate's Degree in General Business from Kirtland Comm. College and is currently enrolled in a Municipal Supervisory Management course through Michigan State University.

Monica has been serving Grayling Township since 1971 in various capacities including: Secretary, Deputy Clerk, Level I Assessor and election inspector. In addition, she has worked with the

U.S. Dept. of Agriculture in the Soil Conservation Service and for the U.S. Census Bureau (1980).

A life-long resident of Crawford County, Monica resides on the banks of the AuSable River with her ten-year old son Matthew, and is able to enjoy her favorite off-hour interests such as fly-fishing, canoeing, raising Golden Retrievers, and organic gardening.

Four New 4-H Clubs Start Here

Four new 4-H clubs are starting in Crawford County in October.

4-H Photography Club: If you enjoy taking pictures and are nine years old or older, this is the club for you. It's not necessary to have an expensive camera - just a willingness to learn and have fun.

4-H Cooking Club: We have a leader willing to work with 2 age groups youth ages 8-11 and for youth 12 years old and up. The leader is planning seasonal and holiday cooking. This club will be held right after school and will start in October.

4-H Dog Obedience and Showmanship: Must have a purebred dog to belong to this club. This club is for youth ages 12 and up. You will be learning basic dog care, and grooming along with obedience and showmanship training. You will also have the opportunity to take your dog to dog shows.

4-H Archery Clubs: This year we have two archery clubs planning to start in

October - so there will be room for all youth interested in learning about archery as well as youth interested in advanced shooting sports.

For more information or to register for any of these clubs, please contact Shelley Hubbard, 4-H Program Assistant at (517) 348-2841 ext. 264.

Area Law Officers Lovells News

On Sunday, September 18, the Crawford County Sheriff Department and Kirtland Community College co-sponsored the 13th Annual "Carl L. Darling, Jr." Police Combat Pistol Shoot. The Shoot was held at the Crawford County Sheriff Department's Pistol Range just outside of Grayling. The contestants consisted of Law Enforcement officers from the Michigan State Police, County Sheriff Departments and local law enforcement agencies.

The first place winner team event was the Michigan State Police, Houghton Lake Post in the police division. The first place winner of the auxiliary event was Kirtland Community College (the firearms instructors for the Criminal Justice classes at Kirtland). Individual top honors went to Patrick McKenna from KCC and Robert Beyerlein from Richfield Township Police Department.

A three way tie for first in the Law Enforcement classification for individual honors occurred between three organizations, with a score of 244 out of a possible 250.

The final standings were as follows:

Regular Police Officers - Individual awards: 1. Bob Beyerlein - 244 - Richfield Township; 2. Charlie Jones - 244 - Michigan State Police #75; 3. David Lovely - 244 - Crawford County Sheriff Department; 4. Kevin Breese - 243 - Michigan State Police #75; 5. James Parker - 239 - Crawford County Sheriff Department.

Team Awards: 1. Michigan State Police #75 - 724 - Charlie Jones, Floyd Millikin, Kevin Breese; 2. Ogemaw County Sheriff Dept. - 711 - Dave Stall, Andy Engster, Robert Clayton; 3. Crawford County Sheriff Dept. - 710.

Auxiliary Officers Individual Awards: 1. Patrick McKenna - 246 - Kirtland Community College; 2. Michael Babcock - 245 - Ogemaw Reserve Officer; 3. Tom Grace - 234 - Kirtland Community College; 4. Patrick Sweet - 227 - Kirtland Community College; 5. Robert Farr - 226 - Kirtland Community College.

Team Awards: 1. Kirtland Community College - 707 - Patrick McKenna, Tom Grace, Patrick Sweet; 2. Kalkaska County Sheriff Department Auxiliary - 667 - Kevin Rohn, Joe Elekonich, and Mike Babcock; 3. Kirtland Community College - 610 - Robert Farr, Jeff McLaughlin, James Johnston.

Trophies were awarded by Undersheriff Tom Coors, Crawford County Sheriff Dept., and Patrick Sweet, Training Coordinator of the Criminal Justice Program from Kirtland Community College. A special moment was remembered by all in honor of Carl Darling. Darling was a former KCC student (graduated in 1980) and a member of the Ogemaw County Sheriff Department. He was killed in 1986, in the line of duty.

Our community was saddened by the death of Joe Meininger who passed away on Tuesday, September 27, following a prolonged illness. His many friends extend their deepest sympathy to the family.
Mrs. Ruth Caid and Mar-

gie Harwood returned home Thursday, after enjoying a vacation in California.

Thirty-four relatives and friends helped Abbott Walker celebrate his birthday at a dinner party on Oct. 1, at the Ladies Club. Out of town guests were from

Detroit and Lake Orion. Mr. and Mrs. Tom Stalker of Saline visited his parents, Mr. and Mrs. Bill Koernke.

The Cheerful Givers Club will meet at the club room Thursday at 7:30, plans will be made for our trip.

New Books at the Library are, "Timothy's Game" by Lawrence Sanders, "The Last Princess" by Cynthia Freeman.

Spiders don't lead an easy life. Newspaper advertising creates the kind of customer traffic spiders hate and merchants love. If you're a business owner who seems to be seeing far too

many spiders lately, give us a call. Our retail display and classified advertising departments can create the kind of advertising you need to send lazy spiders on their way.

SPORTS FANS!

I Bet You Didn't Know

Brought To You
By Bill Hart
Sales Representative

We thought you might like to see the Top 10 teams in the nation in major college football exactly 50 years ago this season, in 1938. Oddly enough, 2 of those Top 10 don't even play major college football anymore... Carnegie Tech was ranked 6th in the final AP poll that season, and Holy Cross was 9th. The complete final Top 10 of 50 years ago: ...TCU, Tennessee, Duke, Oklahoma, Notre Dame, Carnegie Tech, Southern Cal, Pitt, Holy Cross and Minnesota.

Although many college football teams over the years have won 20, 30 or even 40 consecutive games, no team in the National Football League has won more than 18 straight games — ever... The NFL record of 18 consecutive wins is shared by the Miami Dolphins who did it in 1972-73, and the Chicago Bears who did it twice, 1933-34 and 1941-42.

Many fans know that the oldest football stadium in America today is Harvard Stadium, opened in 1903, but which is the second-oldest stadium still in use in the country? ...It's Princeton University's Palmer Stadium, opened in 1914.

I bet you didn't know... that the '89 new cars and trucks are arriving daily and they are beautiful! We are now in the enviable position of being able to show you what's new, and what might be you. Whether it's for a stylish new '89 or a great model clearance deal on an '88, Scheer Motors in Grayling is the place to go!

Alumni News

The Annual GHS Reunion Dinner on Saturday, September 24 was a special night, with 169 in attendance at the K of C Hall. Reception started at 5:30 p.m. with an early appearance of many classmates who had not seen each other for years.

Tressa Vallad Fenton, '30, gave the Invocation. While still standing, the group sang "God Bless America", led by Tressa, accompanied on the piano by Carol Fenton Church, '60.

At 7 p.m. our Honoree and his wife Joanne started the procession to the Buffet dinner, prepared by Lynn Schreiber Ferrigan.

President Bill Joseph '31 bid welcome to the Alumni and guests with his opening remarks. The highlight of the evening was presentation to Don Ferguson. After some pertinent facts concerning his career, given by Clara Atkinson Sorenson, '35, he received a beautiful plaque. The words were "Thanks to Don Ferguson Teacher-Coach on behalf of our students for 30 years."

From GHS Alumni Ass'n, September 24, 1988." (Jim Adams Photo furnished a picture of Don that was placed on the plaque).

After presentation, Don and his wife were introduced. He, in turn, introduced his parents, Mr. and Mrs. Jack Ferguson who came to share his evening. Don spoke briefly about his love of teaching and the enjoyment of his students over the 30 years he has been here in Grayling. John Hunter, '69 and Elmer Fenton '29 (his former principal) came to the podium to add their compliments.

As always, the Anniversary years were recognized. Class of '28, Paul Hendrickson and Hazel Hunter Haines. Class of '33, Veronica Lovely Neuendorf, Bob Funck, Gerry Herrick, Lois Sorenson LaGrow, Wilma Burrows LaGrow, Jim Knibbs, Dorothy Roberts McLeod, Ken Gothro. Class of '43, Jacques Perry, Monica Brady Weideman, Ann Hamlin. Class of '48, Frank May. Class of '53,

Teachers, then and now Marie Akers, Joseph Stripe (RT Supt), Faith Stripe, Katherine Funck, Vella Hill '22, Mary Jane Knibbs '40, Ruth Burrows Moore '40, Elmer Fenton '29, Don Ferguson. We appreciate these teachers who have taught in our schools.

The oldest grads were Earl Nelson and Vella Herman Hill from the Class of '22. The youngest was Ron Wyman, Class of '85.

The past year was good. The Board says thank you to all of you who support the GHS Alumni Ass'n.

Shirley Gildner Rauch, Audrey Wolcott Williams, Anna Schreiber Coultres, Cora Ann LaGrow Waldron, Anita SanCartier Laurent. "Golden Class of '38", Marie LaMotte Akers, Dewey Coultres, Dorothea Morris Kent, Virginia Charron Hawkins, Naomi Wheeler Gribb, Les Hunter, Ruth Benware Glance, Richard Brady, Norberta Weiss Sawyer, Gloria LaMotte Gale.

Holcomb, Roskam Wed

Randy William Holcomb and Carolyn Sue Roskam were united in marriage at the Third Reform Church in Kalamazoo on Saturday, July 30, 1988, at 1 p.m.

Randy, the son of Mrs. Sheldon Holcomb of Grayling and a 1972 graduate of Grayling High School, is currently pursuing a Master's Degree in Social Work from Western Michigan University.

Carolyn, the daughter of Mr. and Mrs. Robert Roskam of Kalamazoo and a 1975 graduate of Kalamazoo Christian High School, is currently pursuing a Bachelor of Nursing degree from the University of Michigan Nursing School.

Randy and Carolyn are making their home in Portage, Michigan.

Forget It!

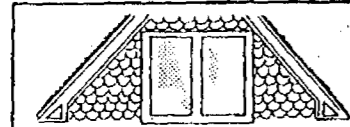

Sometimes the best way to solve a frustrating problem is to forget about it, says a Texas A&M psychologist who studies human memory. He calls it "stuck thinking" and if incorrect or useless information is too accessible, we need to take time out from thinking about it.

Window Heat Loss

Windows lose heat in three ways: conduction, convection and radiation. With conduction warm indoor air warms windows and passes it outside. Convection produces air currents across the glass. In radiation, warm surfaces inside send rays of heat outside through the glass. If shopping for new or replacement windows, check out the double glazed windows with an invisible coating to reflect heat back into your home.

Steering Wheel Pull

The steering wheel of a properly wheel aligned car will be centered when moving straight ahead. With hands lightly on the steering wheel the car should not pull to either side. If the car pulls or wanders you may need a wheel alignment, but first check the tire pressure. This may save an alignment cost.

Italy's ancient Etruscans, forerunners of the Romans, combined their love of music and sports with a penchant for brutality that might have included human sacrifice, says National Geographic.

The Bible Speaks

From Calvary Baptist Church

The Gospel of John

Part 51

The Good Shepherd

The Lord Jesus Christ is proven to be the good shepherd by dying on the cross for His sheep. "I am the good shepherd: the good shepherd giveth his life for the sheep." (John 10:11). Jesus then contrasts the false religious hirelings who claim to be shepherds of the sheep. "But he that is an hireling, and not the shepherd, whose own the sheep are not, seeth the wolf coming, and leaveth the sheep, and fleeth: and the wolf catcheth them, and scattereth the sheep. The hireling fleeth, because he is an hireling, and careth not for the sheep." (John 10:12, 13). The wolf pictures Satan and his false leaders. (Matthew 7:15 & Acts 20:28-30). Hirelings are pastors who work only for the money, and care not for the people. They flee at the first sign of difficulty to greener pastures and another flock to fleece.

Jesus Christ as the good shepherd is our God. His intimate relationship is both to His sheep, and God the Father, therefore out of such intimate love He said, "...I lay down my life for the sheep." (John 10:14, 15). Out of such love He creates unity. "And other sheep I have, which are not of this fold: them also I must bring, and they shall hear my voice; and there shall be one fold, and one shepherd." (John 10:16). This unity is based upon those believers or sheep who accept the death of Jesus Christ for their sins, His deity or lordship, and obey His voice in His infallible Scriptures. Such unity is organic, not organizational or ecumenical.

It is a present reality for all true Bible-believing Christians. It excludes all other claims. Jesus Christ proved His attribute of omnipotence as God by His resurrection. "Therefore doth my Father love me, because I lay down my life, that I might take it again. No man taketh it from me but I lay it down of myself. I have power to lay it down, and I have power to take it again. This commandment have I received of my Father." (John 10:17, 18). (See also Romans 1:4). Only God could have the intrinsic power to die and resurrect at will.

The world responded just as it still does today. "There was a division therefore again among the Jews for these sayings." (John 10:19). Some blaspheme Jesus Christ in unbelief. "And many of them said, He hath a devil, and is mad; why hear ye him?" (John 10:20). They ascribed his works to Satan, His person as crazy, and His words as unworthy of hearing. "Others said, These are not the words of him that hath a devil. Can a devil open the eyes of the blind?" (John 10:21). Others received His light and were open to more. Jesus Christ is either eternal God or a Satanic blasphemer. Who is He to you?

CHURCH DIRECTORY

IN GOD WE TRUST

In God we trust—this motto inscribed on all our coins and currency is familiar to us all. Yet, how often do we pause to consider its meaning.

Our forefathers saw the dangers that would threaten their nation. They knew that we would constantly need to turn to God for strength and guidance.

Take time to think about this principle and renew it in your heart—

IN GOD WE TRUST

Crawford County Board of Commissioners

September 13, 1988 Regular Meeting
SYNOPSIS

The Regular Meeting of the Crawford County Board of Commissioners convened on the 13th day of September, 1988 at 9:45 a.m.

Commissioners present: Kitchen, Harland, Haight, Mattis, Ruddy, Geiss and Joyce. County Clerk Elizabeth Wieland - present. There were 10 visitors present at various times.

In Formal Action, Commissioners:

- Accepted the minutes of the 8-25-88 meeting as presented.
- Approved payment of General Fund vouchers in the amount of \$69,843.67; Fish Hatchery Fund vouchers in the amount of \$998.92 and

Commissioners	Salary	Per Diem	and expenses in the amount of:
Kitchen	200.00	200.00	3.96
Harland	200.00	210.00	41.36
Haight	200.00	80.00	22.00
Mattis	250.00	230.00	60.72
Ruddy	200.00	140.00	10.56
Geiss	200.00	290.00	52.14
Joyce	200.00	190.00	60.34

- Accepted 18 pieces of communications.
- Authorized Chairman Mattis to designate interested areas in the Rural Rental Rehabilitation Application to M1 State Housing Development Authority.
- Authorized Grayling Promotional Association use of the Courthouse on 11-25-88 to accommodate Santa, as in the past.
- Purchased two packets of window decorations from GPA for the fall season at a total cost of \$10.00.
- Accepted the recommendation of Building & Personnel and appointed Larry Akers as Assistant Co-ordinator for the Emergency Preparedness Program to replace D.J. Taylor, who resigned.

- Recommended that supporting information be gathered to submit to the Grayling Management Advisory Committee relative to camp involved activities and various millage issues by precinct over the past ten years as requested.
- Ratified the agreement between 83rd District Court and the 83rd District Court Employees retroactive to January 1, 1988 and ending January 1, 1991.
- Recommended that Mary Harland be considered to fill the unexpired term of Larry Mattis on the MAC Board of Directors upon the expiration of office of Larry Mattis. Appointment will not be made until the first of the year.
- Denied the request of District Court Magistrate Wyman for the increase in salary in the amount of \$2,020.00 to enhance her retirement.

- Approved the M1 Department of Corrections Contract Agreement for the Public Works Program on the barning project.
- Adopted a resolution honoring Patricia Kucharek for her dedicated service on the Ambulance Corp for the past nine years.
- Adopted a resolution pursuant to the requirements of the Truth in Taxation Act. A public hearing will be scheduled for 9-29-88 from 10-11 a.m. to levy 7.80 mills to receive comments on why the County should, or should not, levy their full millage.

- Waived the Board's policy on the freeze of new hires and/or replacements and authorized the Sheriff to replace a corrections officer.
- Authorized the purchase of a new 65 HP motor for the Marine Division at an estimated cost of \$3,285.00 to replace the worn out one.

- Executed the application for Secondary Road Patrol and traffic Accident Prevention Program with the Office of Criminal Justice - Dept. of Management and Budget pursuant to P.A. 416-1978 in the amount of \$39,612.00.
- Authorized the Ambulance director to utilize the United Creditors Alliance of Traverse City for all outstanding ambulance bills.

- Executed the County Child Care Budget, summary with M1 DSS, Office of Children and Youth Services in the amount of \$117,180.00.

In Other Business, Commissioners:

- Learned that counties are suing the state to recover expenses incurred since the court takeover by the state.

- Listened to an update on happenings at the Landfill. The open house was attended by 100 persons on Saturday, September 3, the motor on the shredder is being repaired, one semi is almost full of paper to be sold and one full of metal has already been sold. Electricity and water have been installed, but no drinking water is available. Plans to have white goods stripped are being pursued through a Camp Lehman work crew.

- Heard a brief update on the barning project. The Board commended Building and Zoning Director, Bruce Jones and Maintenance Supervisor Charles Easterly for their help and assistance in completing the project.

- Received an update on the progress for the new master use plan and zoning draft. The Planning Commission, Zoning Board and Zoning Board of Appeals have worked very close with the Planning Consultant during this update. Public hearings will be scheduled so the new ordinance can be in place by the first of the year. Re-organization of the Planning & Zoning Commissions into one body and retain the consultant, on an advisory basis for one year, will be recommended.

- Was introduced to Joe Baer, District Health Dept. No. 1 Manager, who commended the Board on their support of various health issues and on the new facility being provided through the Mental Health District.

- Heard brief updates from various other committees. Full text of official minutes are on file in the Clerk's office. Lawrence Mattis - Chairman Elizabeth Wieland - Clerk/Reg. of Deeds

Road Commission Minutes

September 2, 1988

A regular meeting of the Crawford County Road Commission was held in their office in Grayling. Present were: Chairman Gloria Kraus, Commissioners Grover Cason and Norman Parker, Engineer-Manager John Keir, and Accounting-Clerk Joanne Thompson.

The minutes of the previous meeting of August 19, 1988 were read. Commissioner Cason made a motion to accept the minutes as read, seconded by Commissioner Parker. All voted in favor, minutes approved.

Payroll Voucher Number 18 in the amount of \$26,040.19 and Material checks numbered 14039 through 14093 in the amount of \$23,802.84 were presented to the Board for approval of payment. Commissioners Cason made a motion to accept the vouchers, seconded by Commissioner Parker.

The following permits were reviewed and signed: Shell Western E & P to conduct seismic surveys in South Branch and Lovells Townships, Consumers Power Company to install poles on South Oak Road in Beaver Creek Township.

Discussion was held on the tandem truck bids recently taken and correspondence received from an attorney and the Teamsters Union, and also from United States Representative Bill Schuette.

The next regular meeting scheduled for September 16th shall be moved ahead to September 13, 1988 due to a conflict in meetings.

The Board regretfully accepted the resignation of Attorney Douglas Dosson.

Cletis Spears, Beaver Creek Township Supervisor, appeared before the Board regarding the cost estimate for Billman Road and street name signs.

The Board reviewed the preliminary garage facility plans received from R.S. Scott & Associates.

Engineer-Manager Keir informed the Board of the progress on the local road construction projects.

There being no further business before the Board, a motion was made and seconded to adjourn. All voted in favor, meeting adjourned.

Recipes

By Phyllis Brummer

The comment is often heard that people do not like to prepare Chinese dishes because they require so many ingredients. Here is a simple, delicious pork roast that requires little preparation. This is made with a boned loin (be sure to save the bones; they make excellent soup) and should be baked in a deep ovenproof bowl or casserole lined with foil, since it is baked in the marinade at a high temperature and the marinade has a tendency to spatter.

Chinese Roast Pork

3 lb. loin of pork, boned and fat removed
1/4 c. soy sauce
4 tbs. brown sugar
2 tbs. rice wine or sherry
1" piece of fresh ginger, peeled and sliced
If the meat is very thick, slice in half lengthwise. Combine marinade ingredients, add pork and let set four hours, basting frequently. Put the meat into the prepared pan with the marinade and roast 10 minutes at 375°. Turn meat over and increase heat to 450° and roast about 40 minutes, basting frequently, or until pork is tender. Do not overcook; with the modern methods of raising pigs there is virtually no danger of contracting a disease from pork so it need not be cooked until dry. This roast will be crisp on the outside and juicy in the middle. Makes about six servings.

Pickles require a lot of time to prepare the vegetables, but almost no preparation time. These are fresh pickles and must be refrigerated, but they stay crisp and delicious.

Chinese Mixed Pickles

3 c. sugar
3 c. white vinegar
1 1/2 c. water
1 1/2 tsp. salt
3 large carrots
1 large daikon (about 1 lb.)
1 large cucumber
4 stalks celery
8 green onions

4 ozs. fresh ginger root
1 large red pepper
1 large green pepper

Combine first four ingredients in saucepan and stir until liquid boils. Remove from heat and allow to cool. Pare carrots and daikon and cut into "matchstick" thin strips about 2 inches long. Cut cucumber in half lengthwise and remove seeds. Cut into same size pieces as the carrots. Cut celery into 1/2 inch diagonal slices. Cut onions into 1/4 inch diagonal slices. Pare ginger root and cut into thin slices. Seed peppers and cut into 1/2 inch cubes. Bring about 5 quarts of water to a boil and add vegetables. Remove from heat and let stand 2 minutes. Drain vegetables and spread out on a towel to dry for 2-3 hours. Pack vegetables in jars with lids, cover with cold pickling liquid, and store in refrigerator about a week before using. Broccoli stems and kohlrabi can also be used in this recipe.

Traditionally, the Chinese people do not eat desserts as we know them; however, they do like sweets.

Sesame Peanut Candy

2 c. water
1/3 c. white vinegar
4 tsp. water
1/2 c. sesame seeds, toasted
1 1/2 c. roasted unsalted skinless peanuts (about 8 oz.)

To toast sesame seeds, sprinkle into a baking pan and bake at 350° until golden, about 5 minutes; watch them carefully. Combine sugar, vinegar and water in saucepan and cook, stirring, until mixture is golden and reaches 285-300° on a candy thermometer, about 10 minutes. Meanwhile, grease a 7 x 11 inch baking pan, sprinkle with half the sesame seeds and all the peanuts. Pour cooked sugar mixture over nuts, smooth with the back of a wooden spoon, then sprinkle with remaining sesame seeds. While candy is still warm, cut it into 2 x 1 inch pieces. Makes 2 1/2 dozen pieces.

Doodles from the Tall Timber

By Wendell L. Hoover
Hartwick Pines Interpreter

The haunting call of south bound geese, the absence of Gold Finches at the thistle seed feeder and the maples changing to brilliant hues typical of fall are indicative of things to come. Also indicative of this to come is the project list hanging next to my desk. A multitude of things to be accomplished before next summer's season starts, some of which will directly enhance our visitors experience in the park.

The comment cards from some of those 200,000 plus visitors have provided ideas as have discussions with others of those visitors. The saw filers shack at the logging camp is nearly complete and changes are planned for at least one period setting at the logging camp which depending upon circumstances will allow you inside another exhibit.

If you are interested in the park, you might like to join

the Friends of the Hartwick Pines. They are getting more involved in the role playing and we are now in a better position to provide the essential information on the hows and whys of playing a role. You don't have to be an actor to role play, just a willingness to step back in time. Now is the time to prepare for that step. Contact Mert or Mary at the Corner Book Swap or me at the Park.

Resource Review

By Bruce Patrick
Conservation Officer

The Michigan Game Law defines open season as "the time during which game animals and game birds may be legally taken or killed...". This is further refined through Natural Resources Commission Order (CWI 266.85) which establishes general state wide hunting hours of one half hour before sunrise to one half hour after sunset each day during the season, unless otherwise specified.

These general hunting hours, effective for most game, are modified somewhat for those species which may be especially vulnerable at certain times of day.

For example, shooting hours for waterfowl change constantly as specified in the waterfowl digest for the eight meridian zones in the state. The hours for hunting woodcock are from sunrise to sunset. Wild turkey may be hunted from 5:30 a.m. to 4:00 p.m.

What all of this means is that if one kills a particular animal outside of legal hunting hours, he in fact killed it during the closed season, and is liable for any penalties which the law pre-

scribes. Since the exact time of sunrise and sunset varies from day to day, hunters must be aware of these changes.

Reminder: All of the Lower Peninsular is closed to the use of lead shot for the hunting of ducks, geese, mergansers, coots, gallinules, rails and snipe. Non-toxic steel shot is required. Certain parts of the Upper Peninsula also have a steel shot requirement this year. Next year, the lead shot ban will be statewide.

ADVERTISEMENT FOR BIDS SNOW PLOWING

LOVELLS TOWNSHIP will receive bids for the snowplowing of the Lovells Township Hall, Fire Hall and Dump Sites No. 1 and 2 for the 1988-89 season until 3:00 P.M., October 11, 1988 at the Clerks office in the Township Hall.

Evidence of insurance must accompany all bids.

Snowplowing specifications can be obtained at the Township Hall between the hours of 9:00 A.M. and 3:00 P.M. on Tuesdays, Wednesdays and Thursdays.

The Lovells Township Board reserves the right to reject any or all bids, to award the bid to other than low bidders, and in general to make the award in any manner deemed by it, in its sole discretion, to be in the best interest of Lovells Township.

Your Week Ahead Horoscope

Forecast Period: 10/9 - 10/15/88

ARIES
Mar. 21-Apr. 19
Watch for opportunity to push for personal and business advantages. Contact with the public can be expected.

TAURUS
Apr. 20-May 20
Try to improve your employment situation. Look for an opportunity to lighten the load of another.

GEMINI
May 21-June 20
Enjoy social pleasures. Some speculation could result in gain. Attend sporting events, either as a participant or a spectator.

CANCER
June 21-July 22
Activities in the days ahead will center on domestic surroundings. Family members may be hypersensitive, so watch your step.

LEO
July 23-Aug. 22
Communication with friends results in an employment opportunity very much to your liking. Put forth your best effort.

VIRGO
Aug. 23-Sept. 22
Attend to business and financial matters and be familiar with the trend. Shop with quality and beauty in mind.

LIBRA
Sept. 23-Oct. 22
Proceed with reasonable moderation and restraint in partaking of the good things. Overindulgence converts to overweight.

SCORPIO
Oct. 23-Nov. 21
Your system has a need for quiet solitude; a chance to regroup and be ready for heightened activity at Birthday time.

SAGITTARIUS
Nov. 22-Dec. 21
Involvement in organizational activities takes much of your time. Like it or not, you are in the thick of it.

CAPRICORN
Dec. 22-Jan. 19
You may feel it necessary to be more diligent in professional matters to achieve the desired prestige and security.

AQUARIUS
Jan. 20-Feb. 18
Contact with cultural organizations brings an unusual personality into your circle. You are fascinated with tales of other lands.

PISCES
Feb. 19-Mar. 20
The family budget comes up for discussion. Expect, and get, help from family members. You can't shoulder the whole load.

BUDDY'S WORKSHOP Shower Problems

Since there are at least five showers taken every day in our house, it goes without saying that we have drain problems. Every time I call a plumber, it takes him about five minutes to clear the drain, then I'm socked with a whopping bill. If I were to purchase a spring like his, how much of a problem will I have doing it myself?

You shouldn't have any problems at all. I am assuming that you have a trip lever waste in your bathtub, which is the little handle you flip to fill up the tub with water. Take out the two screws holding the cover and the handle, and carefully remove the assembly. There will be a long rod attached to the back of the handle, and some sort of plunger at the end of the rod. Also notice that there will be some type of O-ring or large rubber washer in between the overflow pipe and the tub itself. Take care not to lose it—it can fall down between the overflow pipe and the tub.

After you've removed the trip lever, slide the spring down the overflow pipe until you feel it hit an obstacle—that's the trap. Gently turn the spring while pushing down so the spring can work itself through the trap. Once you feel the spring go through, spin it in the opposite direction while pulling it out of the pipe. If the spring should happen to turn into the bathtub drain instead of going through the trap, back up and start over. After you've removed the obstruction, replace the trip lever the same way you removed it, and make sure that the O-ring is in place when you replace the two screws.

I worked and worked to remove all the paint from the glass when I repainted our windows, then I was told I should have left some on there. Were they kidding?

Ideally, you should have left about 1/8 of an inch on the glass all the way around to help seal the glass to the wood.

"Regret"

So many of our days have gone by,
These changes are still new to me.
Tears fall as easily as when I said, "Good-Bye";
Clouding my eyes, so I can't see.

I ask myself, "What does the future hold?"
and all I can say, is this;
My feelings, I'll hide and be bold,
But forever, I know, "It's you I'll miss!"

As for our son, I have big dreams,
Hopes that he'll keep, his "one" true love.
For once you let go, it to me, seems;
Simple life, is a push and a shove.

Thoughts fill your mind, everyday,
of how, your life, could have been.
Your days are work, not play,
just wanting to do it over again.

As time goes by, days, months, years;
The pain never ends and you ache inside.
For every memory, there are those tears,
Such shame, you just want to run and hide.

If each other, by chance, you do see,
You want to say, just the right word,
To make it, like it used to be,
But you walk away, not being heard.

That stab in your heart, is the worst one yet,
For your hopes of the future, have gone.
And through the sun and the moon will set;
There still, will be the next new dawn.

You seem to go through life, everyday,
with this emotion called love, in your heart,
And all you want, is to give it away;
but only to "Your One True Love";
from who you are apart!!

Verse or Worse

By Joseph D. Murphy

Deathbed Confession

The old man lay on his deathbed
His Minister hovered near
The old man said "before I die
I have a confession I want you to hear".

Way back in the fall of Eighty eight
I helped to lynch a man
We didn't know if he was guilty
And we didn't give a damn.

We were loaded with cheap liquor
And he was a stranger in town
No one raised the voice of reason
Not a disagreeing voice was found.

Maybe he had raped a woman
No one knew the facts for sure
But some hollered we should hang him
Maybe they wanted to even an old score.

The old jail was pretty flimsy
The Sheriff wouldn't stand up to the mob
He wasn't too concerned about the law
Being Sheriff was just a job.

When we headed for the jailhouse
The Sheriff headed out of town
It took us only a minute
To tear the old doors down.

We dragged that poor man down the street
Looking for a tree of the right size
We had our faces covered with rags
To act as a disguise.

When the right tree was found
We quickly hung him there
Twisting on the end of a rope
His legs dancing on thin air.

We all sobered up real fast
When we realized what we had done
We slipped away to hide in shame
Some left town on the run.

The next day the facts came out
They showed the woman had lied
Because of our shameful drunken act
An innocent man had died.

None of us in that mob
Have ever been the same
Very few have touched a drop
Since that horrible night of shame.

B. Write down your prediction for game #1 on entry form.
C. Write down the advertiser's name on entry form where you found game #1.
2. Fill out rest of entry form this way including the two tie-breakers (your prediction on the total points scored by both teams in games #1 and #18).
3. Make sure you pick a winner for each game and you write down the advertiser's name for each game.
4. Return the entry by 5 p.m. Friday to the Avalanche.
5. The person with the most correct picks wins \$50 from the Avalanche. (Tie games are considered correct picks for everyone.)

October 1 - 2 Winner

\$50 1st Place

Robert Mead, of Grayling

The first 3 weeks of the Avalanche Football Contest required tiebreakers to determine the winner. In week 4, Robert Mead was the clear winner among 91 entries with only 2 wrong. Julie Fagan, Fred Krolikowski, and Steve Anderson were second with only 4 wrong. Eight entries had 5 wrong, 17 entries had 6 wrong, 25 entries had 7 wrong, 25 entries had 8 wrong, 7 entries had 9 wrong, two entries had 10 wrong, and three entries tied for last place with 11 wrong. The two ties (MSU-Iowa, Jets - K.C.) counted as corrected picks for everyone.
